All gold: Princess Beatrice and jeweller Stephen Webster

TWO MINUTES WITH PRINCESS BEATRICE
Hi Beatrice, you look lovely.
Thank you. I dressed for the occasion, in Marchesa. And I've been kindly lent this ring by Georgina Chapman. It's absolutely beautiful, don't you think?
Can you keep it?
I'd love to, but I'm afraid I'll have to wait a few years before I can allow myself to buy jewellery like this.
What's your favourite piece of jewellery?
My mother gave me a necklace for my 21st birthday that I absolutely love to pieces.

THREE MINUTES WITH GEORGINA CHAPMAN

Why the bird theme to your collection?

I imagined a ring with a bird on it that looked like it was about to fly away. And I work with feathers a lot.
Nice dress, by the way.
I made it to match a blue gemstone ring from the collection. I wanted a blue, feathery dress to go with it.
The perks of being a jewellery and a fashion designer?
Exactly. My outfits and accessories will match perfectly from now on.
